**Re: Kenneth Kuck, et al. v. Planet Home Lending, LLC and Michael Dubeck
Civil Action No. 2:17-cv-04769-ADS-GRB**

Dear Judge Brown:

This firm represents the Defendants in the above referenced action. We write to seek clarity regarding the Parties' Stipulated Notice of Collective Action lawsuit filed by Plaintiffs on August 14, 2018 (the "Notice", Docket Entry #53-1). Specifically, we want to know whether, in light of the Court's July 16, 2018 Order, Plaintiffs should wait to distribute the Notice until / unless the Court approves the Notice, or whether Plaintiffs may distribute the Notice without Court approval because it has been stipulated between the parties.

Thank you for your consideration.

Respectfully submitted,

/s/ Jesse Grasty
